

A Podium finish

New release of suites – Solmar introduces the new Podium Collection at ORO

Just when you thought you'd missed your chance, ORO in Mississauga's City Centre is back with a new opportunity!

Hot on the heels of the extraordinary success of sales at Edge Towers, Solmar Developments is announcing a brand new release of suites within ORO, the crowning achievement of the Edge Towers community. This surprising new release is a thrilling last chance to live in the height of luxury in Mississauga's City Centre, the premier location for condo living.

Saving the best for last, this stunning Podium Collection offers an attractive selection of suite sizes and layouts to give buyers versatility in their purchase without missing out on this golden opportunity. This is the first opportunity to purchase a one-bedroom suite at ORO, with additional options of one-bedroom plus den, two-bedroom, or two-bedroom plus den, all featuring the premium features and amenities that Edge Towers is known for.

In addition to private oversized balconies and terraces, this Podium Collection has an advantage rarely seen in condominiums. Some of these exclusive suites include a parking

spot located on the same level for the ultimate convenience. No more waiting for elevators, no more climbing stairs after a long day; only the most exclusive luxury condominium experience.

This opportunity is a limited release in Mississauga's landmark community. ORO is the third and final Tower of the highly acclaimed Edge Towers, and construction of Tower 1 and 2 is well underway. Sleek modern architecture meets the timeless elegance of ORO's distinguished interiors, creating the gold standard of luxury living. An elevated lifestyle begins with this 50-storey monument to the Mississauga skyline.

Life at ORO is infused with luxury, embodying the perfection of this exclusive community with a magnificent grand lobby and Galleria featuring marble flooring and Venetian columns, inspired by renowned international hotels. ORO stands as a 50-storey tribute to luxury living, featuring two outdoor terraces for both active

and relaxing lifestyles, barbecue areas for al fresco dining, a premium fitness centre, party room, and a full range of lifestyle amenities. A 24-hour premium concierge service meets your every convenience, and every amenity you deserve or desire is right here waiting for you.

But luxury isn't limited to just your home. This master-planned community is the only new condominium development located steps from the Mississauga City Centre, right on the new Hurontario LRT line to connect homeowners directly to Toronto. Shopping, dining, and entertainment are all within reach at Square One Shopping Centre and beyond, and the Port Credit waterfront is only minutes away to bring you to the beauty of Lake Ontario. Mississauga's dynamic City Centre brings natural greenspace to the urban core in the perfect blend, creating an unmatched neighbourhood.

Solmar Developments has crafted this community to perfection by using its 30 years of experience to create the pinnacle of luxury living. Known for their workmanship and their European-inspired design, Solmar's excellence is second to none. In these unprecedented times, buying with confidence is more important than ever. Solmar Developments is a leading developer in the GTA, building communities that you can trust. Their dedication to the health and safety of their staff and clients has led to the implementation of digital buying and selling processes, displaying their commitment to their communities. Available for private appointments and virtual purchasing, a home at ORO has never been more attainable.
